We Make Customizing Easy

Getting started designing your own cable assembly or adapter is easy. Just photocopy this sheet and follow the steps below. Then fax the form to us and we will respond to your needs immediately. Often we have taken totally obscure ideas and turned them into great new products.

1 Enter your contact information:

Name: _____ Phone: _____

Company: _____ Fax: _____

Address: _____ E-mail: _____

City: _____ State: _____ Zip: _____

2 Fill in the appropriate blanks (use the Custom Product Assistant pg. 210 for help):

❑ Coaxial Cable 
❑ Modular Cable 
❑ Data/Video Cable 
❑ Fiber Optic Cable 
❑ Custom Coaxial Adapter

❑ Custom Fiber Adapter

❑ Custom Modular Adapter

❑ Custom D-Sub Adapter
