

L-com offers system designers a complete selection of panel configurations for data and serial connections. Each panel features numerical legends below each port. This allows users a fast and simple way to identify ports for their equipment. Our panels are made with 16-gauge cold-rolled steel and finished with a durable Black powder coat. Panels are available with D-Sub, Firewire, USB or Mini DIN style couplers.

Item #	Code	Description	Color	1-9	10-24	25-99	100-249
<b>RoHS D-Sub, USB, DIN, Firewire Rack Panels</b>							
<a href="#">PR175MD4-16B</a>	A	1.75" Panel, 16 Mini DIN 4 Feed-Thrus	Black	79.95	78.35	76.75	75.15
<a href="#">PR175MD6-16B</a>	B	1.75" Panel, 16 Mini DIN 6 Feed-Thrus	Black	82.95	81.29	79.63	77.97
