

# LCCA30161-FT6

# Configuration

Connector 1: SMA MaleConnector 2: SMA MaleCable Type: LMR-195-FR

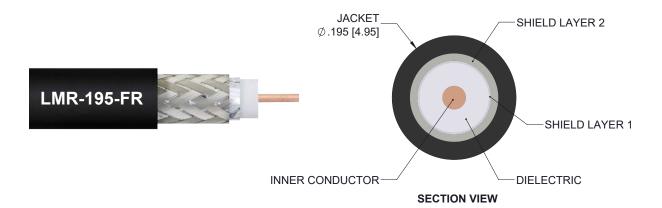

#### **Features**

- · Using Times Microwave Components
- Max Frequency 5.8 GHz
- Shielding Effectivity > 90 dB
- 76% Phase Velocity

# **Applications**

- General Purpose
- · Laboratory Use
- · Antenna Installations

- FRPE Jacket
- Low Insertion Loss
- · Bend Radius of 2 Inches
- Land Mobile Radio & Other Communication Systems
- · Cellular & Wi-Fi Systems

## Description

L-com's LCCA30161-FT6 is a low loss SMA male to SMA male cable assembly using LMR-195-FR coax, 6 FT with Times Microwave components and ships same-day. The LMR-195-FR coax of this SMA cable uses the PE dielectric with a VoP of 76%, resulting in very low insertion loss compared to solid dielectrics. These flexible RF cable assemblies are ideal for applications where flexure is required. Our L-com SMA to SMA cable assembly has a male to male gender configuration with flexible LMR-195-FR series coax and operates to 5.8 GHz. The double shield of this SMA cable is layered by tinned copper braid over aluminum tape providing shielding effectiveness greater than 90dB. \*LMR™ is a trademark of Times Microwave Systems.

Custom versions of this SMA male to SMA male cable, along with the rest of L-com's other RF assemblies, can also be built and shipped same day. Other available RF cable assembly value added services from L-com include connector orientation or clocking, heat shrink booting and custom labeling. RF testing can also be performed to document the electrical performance of your cable assembly. Contact a sales representative for testing or custom RF cable quotes. Part number LCCA30161-FT6 L-com Low Loss SMA Male to SMA Male Cable Assembly using LMR-195-FR Coax, 6 FT with Times Microwave Components data sheet PDF includes details of the RF product specifications, CAD drawing(s) and dimensions below.

## LCCA30161-FT6

## **How to Order**

Example: LCCA30161-12 = 12 inches long cable

LCCA30161-100cm = 100 cm long cable

Low Loss SMA Male to SMA Male Cable Assembly using LMR-195-FR Coax, 6 FT with Times Microwave Components from L-com has same day shipment for domestic and International orders. L-com is a leading manufacturer of wired and wireless connectivity products and committed to in-stock availability and same day shipping. Our portfolio includes coaxial cable assemblies, connectors, adapters and custom products as well as lightning and surge protectors, NEMA rated enclosures, and an RF product line which includes antennas, amplifiers, passive, and active components.
